To avoid misunderstandings, the Union Cycliste Internationale has decided to fix a limit for the maximum number of accreditations which can be issued (as stipulated in the Registration Procedure). The number of accreditation cards is valid for a complete team; consequently, it will be adapted to the number of riders who will take part in the Championships.

## ACCREDITATION ZONES

Accreditation access zones are defined as follows:

1. Official Tribune
2. Press area
3. Infield
4. Competition area
6. Video Operators Area
7. TV Compound
8. All areas
9. Protocol

If you feel that you do not have clearance for a zone which is necessary for your work, please contact the Accreditation Centre.

All accreditations grant you access to the spectator concourse but not to the spectator seats. A steward will ask people without tickets to make way for spectators. Designated seating areas are reserved for teams at the spectator concourses. Designated seating areas are reserved for guests as well at the spectator concourses.

Please be mindful that many of the event personnel you will encounter at the velodrome are volunteers so please treat them with courtesy as without them the event would not be able to happen.

Should you need access to storage outside these dates, please contact us: [info@trackcycling-berlin.com](mailto:info@trackcycling-berlin.com)

The Team Cabin Coordinator will meet each team on arrival and show you to your allocated cabin. It is important that teams only use the cabin allocated to them. Due to the numbers of teams entered and space limitations it will be necessary for some smaller teams to share cabins.

A security deposit of € 100,00 in cash must be paid for each key when picking it up at the key issuing room, that is located **at level U1, BMZ – athletes' entrance**. Please ensure you sign your key back in at the end of the event, no later than 10.00 am on Monday, 2<sup>nd</sup> of March. The deposit will be returned once the team cabin has been inspected and is left in the condition in which it was issued to you. Lost keys – if your team misplaced the key for your team cabin, a replacement key is available from the team cabin coordinator. Teams will be responsible for the cost of replacing lost keys. Key replacement cost is € 50,00 per key.

## 7. TRACK CENTRE TEAM PENS

Track centre boxes will be available from Saturday, 22 February at 8am.

**Teams are reminded that the team storages are to be used for the storage of equipment not required for competition in that session.**

Fire Regulations insist that corridors in the track center are maintained for emergency evacuation purposes. To ensure the track center can be cleared quickly and safely in an emergency please ensure equipment does not excessively narrow or block walkways.

Team Pens will have one table and chairs. **We ask the teams for cooperation and fair play; do not take furniture that is in other boxes.** Please ask the organizer if you need additional equipment.

Teams pits will be powered with 230V, standard 2-pin outlet. The venue requires that all electrical equipment meets EU Standards to meet safety requirements. Teams must have all appliances tested and tagged by a qualified electrician.
